

# SHILOH VILLAGE SCHOOL EDUCATION FOUNDATION

*Investing in our Community's Future*

The Shiloh Village School Education Foundation (SVS EF) is a locally organized not-for-profit foundation. It was established in April, 2019 to raise funds for distribution throughout the Shiloh School District and Shiloh Community.

## Our Mission:

“We will prepare our students to become independent learners with the desires, skills, and the abilities necessary for life long learning. This will require creating a learning environment which is centered around students, directed by great teachers, and a wonderful support staff, with professional administrative leadership, supported by home and community.”

## Our Purpose:

- Receptacle for grants and donations to the Shiloh School District & Foundation.
- Promote educational projects and enhance the educational experience.
- Establish grant programs to supplement school budgets and operational functions.
- To serve the students and staff of Shiloh School District # 85.
- Shiloh Village School Education Foundation is a 501(c)3.

Volunteers are always welcome!
