

Good evening!

Thank you for the feedback about your family's choice regarding learning in-person or remote learning during the 2nd Quarter of our school year. We have been planning meticulously and our teachers and staff are eager and excited to have some of our students come back to their school.

This is a quick question regarding transportation to school if your child is coming back in-person for the 2nd Quarter. If your family has chosen remote learning, you do not need to fill out this questionnaire.

We are adjusting routes (if necessary), evening out our student numbers on buses, and creating seating charts all in an effort to keep our buses safer. So, the information you provide is critical and time sensitive.

Fill out one questionnaire per student at the link below.

<https://forms.gle/RDJfz8eLpHCvuxy96>

Please take 2 minutes to help provide us with this information. Thank you!

Also, our current bus routes, times, and pick up and drop off locations for each neighborhood are attached. To know your location and time for your student, simply find the intersection or location closest to your house.

Thank you again for partnering with us and helping us to prepare as thoroughly as possible for our students' safe return.

Have a wonderful weekend!

Dale Sauer
