

Tuition Preschool at Shiloh Village School District

Preschool Learning in Your School Environment

The Shiloh Village School District is offering full day developmentally appropriate tuition preschool programs for all families within our community. Tuition preschool classes are open to all three to five year olds that reside in Shiloh School District. The literacy based classrooms are aligned with the Illinois Early Learning Standards and Creative Curriculum themes designed to be engaging, dynamic, learning classes. Based upon sound curriculum, each child's unique capabilities will be assessed, guided, and challenged. Students are provided learning opportunities in math, science, language, music, art, and fine and gross motor activities. Based upon the child's strengths and learning styles, students will have a program designed to meet and challenge their needs. Each student's progress is monitored throughout the year. Parents will receive quarterly reports as well as regular newsletters, informational handouts, and parent conferences. Snacks will be provided daily.

Family involvement programs such as parent meetings, family fun events, newsletters, and volunteer activities are an important connection between home and school. The preschool program is constructed to meet the whole child and their family. We are building the foundation for learning for all our students at an early age.

Our full day preschool program operates between the hours of 7:00am and 5:30pm which includes before and after care. Parents may choose to have their children attend any portion of the day in that timeframe. Classroom instructional time runs from 8:15am to 3:15pm. Students have free time to design their own learning before and after the preschool day, as well as a rest time, recess, and enrichment opportunities. Snacks are provided by the school in the morning and afternoon. Families have the opportunity to purchase a school lunch or bring one from home daily. Students need to be potty trained.

The preschool class will follow the Shiloh School district calendar. When choosing the part time option, families may choose 2 days (Tuesday & Thursday) or 3 days (Monday, Wednesday & Friday) per week, but once chosen, are locked into those days for the year. Days may be changed if availability allows.
